**Meet Your Speaker:
W. DeJaun Tull**

Bible Prophecy is often misunderstood and misapplied, which leaves many people confused or fearful. When the Bible is studied in its proper context, prophecy becomes clear and understandable. There is no one we can trust

more than Jesus, and His words will speak specifically to us as we study them in their simplicity. The Book of Revelation is God's message to our generation living in the last days, but it is also a revelation of the person at the heart of every prophecy, Jesus Christ (Revelation 1:1). Christ will reveal the true source of hope for our lives and a loving assurance of His future plans for you.
